

Hey,  
I'm Nick,

*Founder & CEO of Space Auto*

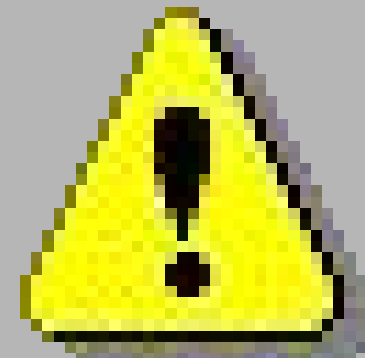

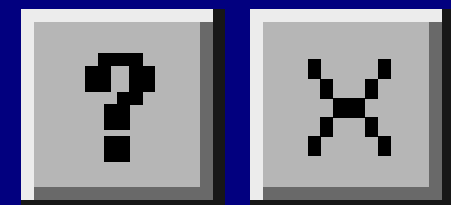

# Fighting Frankenstein?

If you feel like you are forced to use multiple pieces of technology that don't always work together, you are not alone.

**Every dealer we talk to feels this way.**

# System Alert

Your Dealership Apps are not doing anything.  
Would you like to restart?

## WEBSITE SPACE

# Make your website your best salesperson.

Dealers deserve websites that work the way they were always meant to.

- without countless plugins and marketing gimmicks.
- to your unique brand and business goals... not the vendor's.

## RETAIL SPACE

# Digital Retail should be this easy.

Dealers deserve credit and lender powered Digital Retail that...

- Isn't just a glorified form fill but makes car buying delightful for all parties.
- cuts down the time it takes to buy AND sell a car.

# Dealers deserve an application that has instant communication with their customers, deals, inventory, and...

- Connected, centralized data they own that provides actionable information.
- To not have to tick countless tasks and boxes just to appease management.

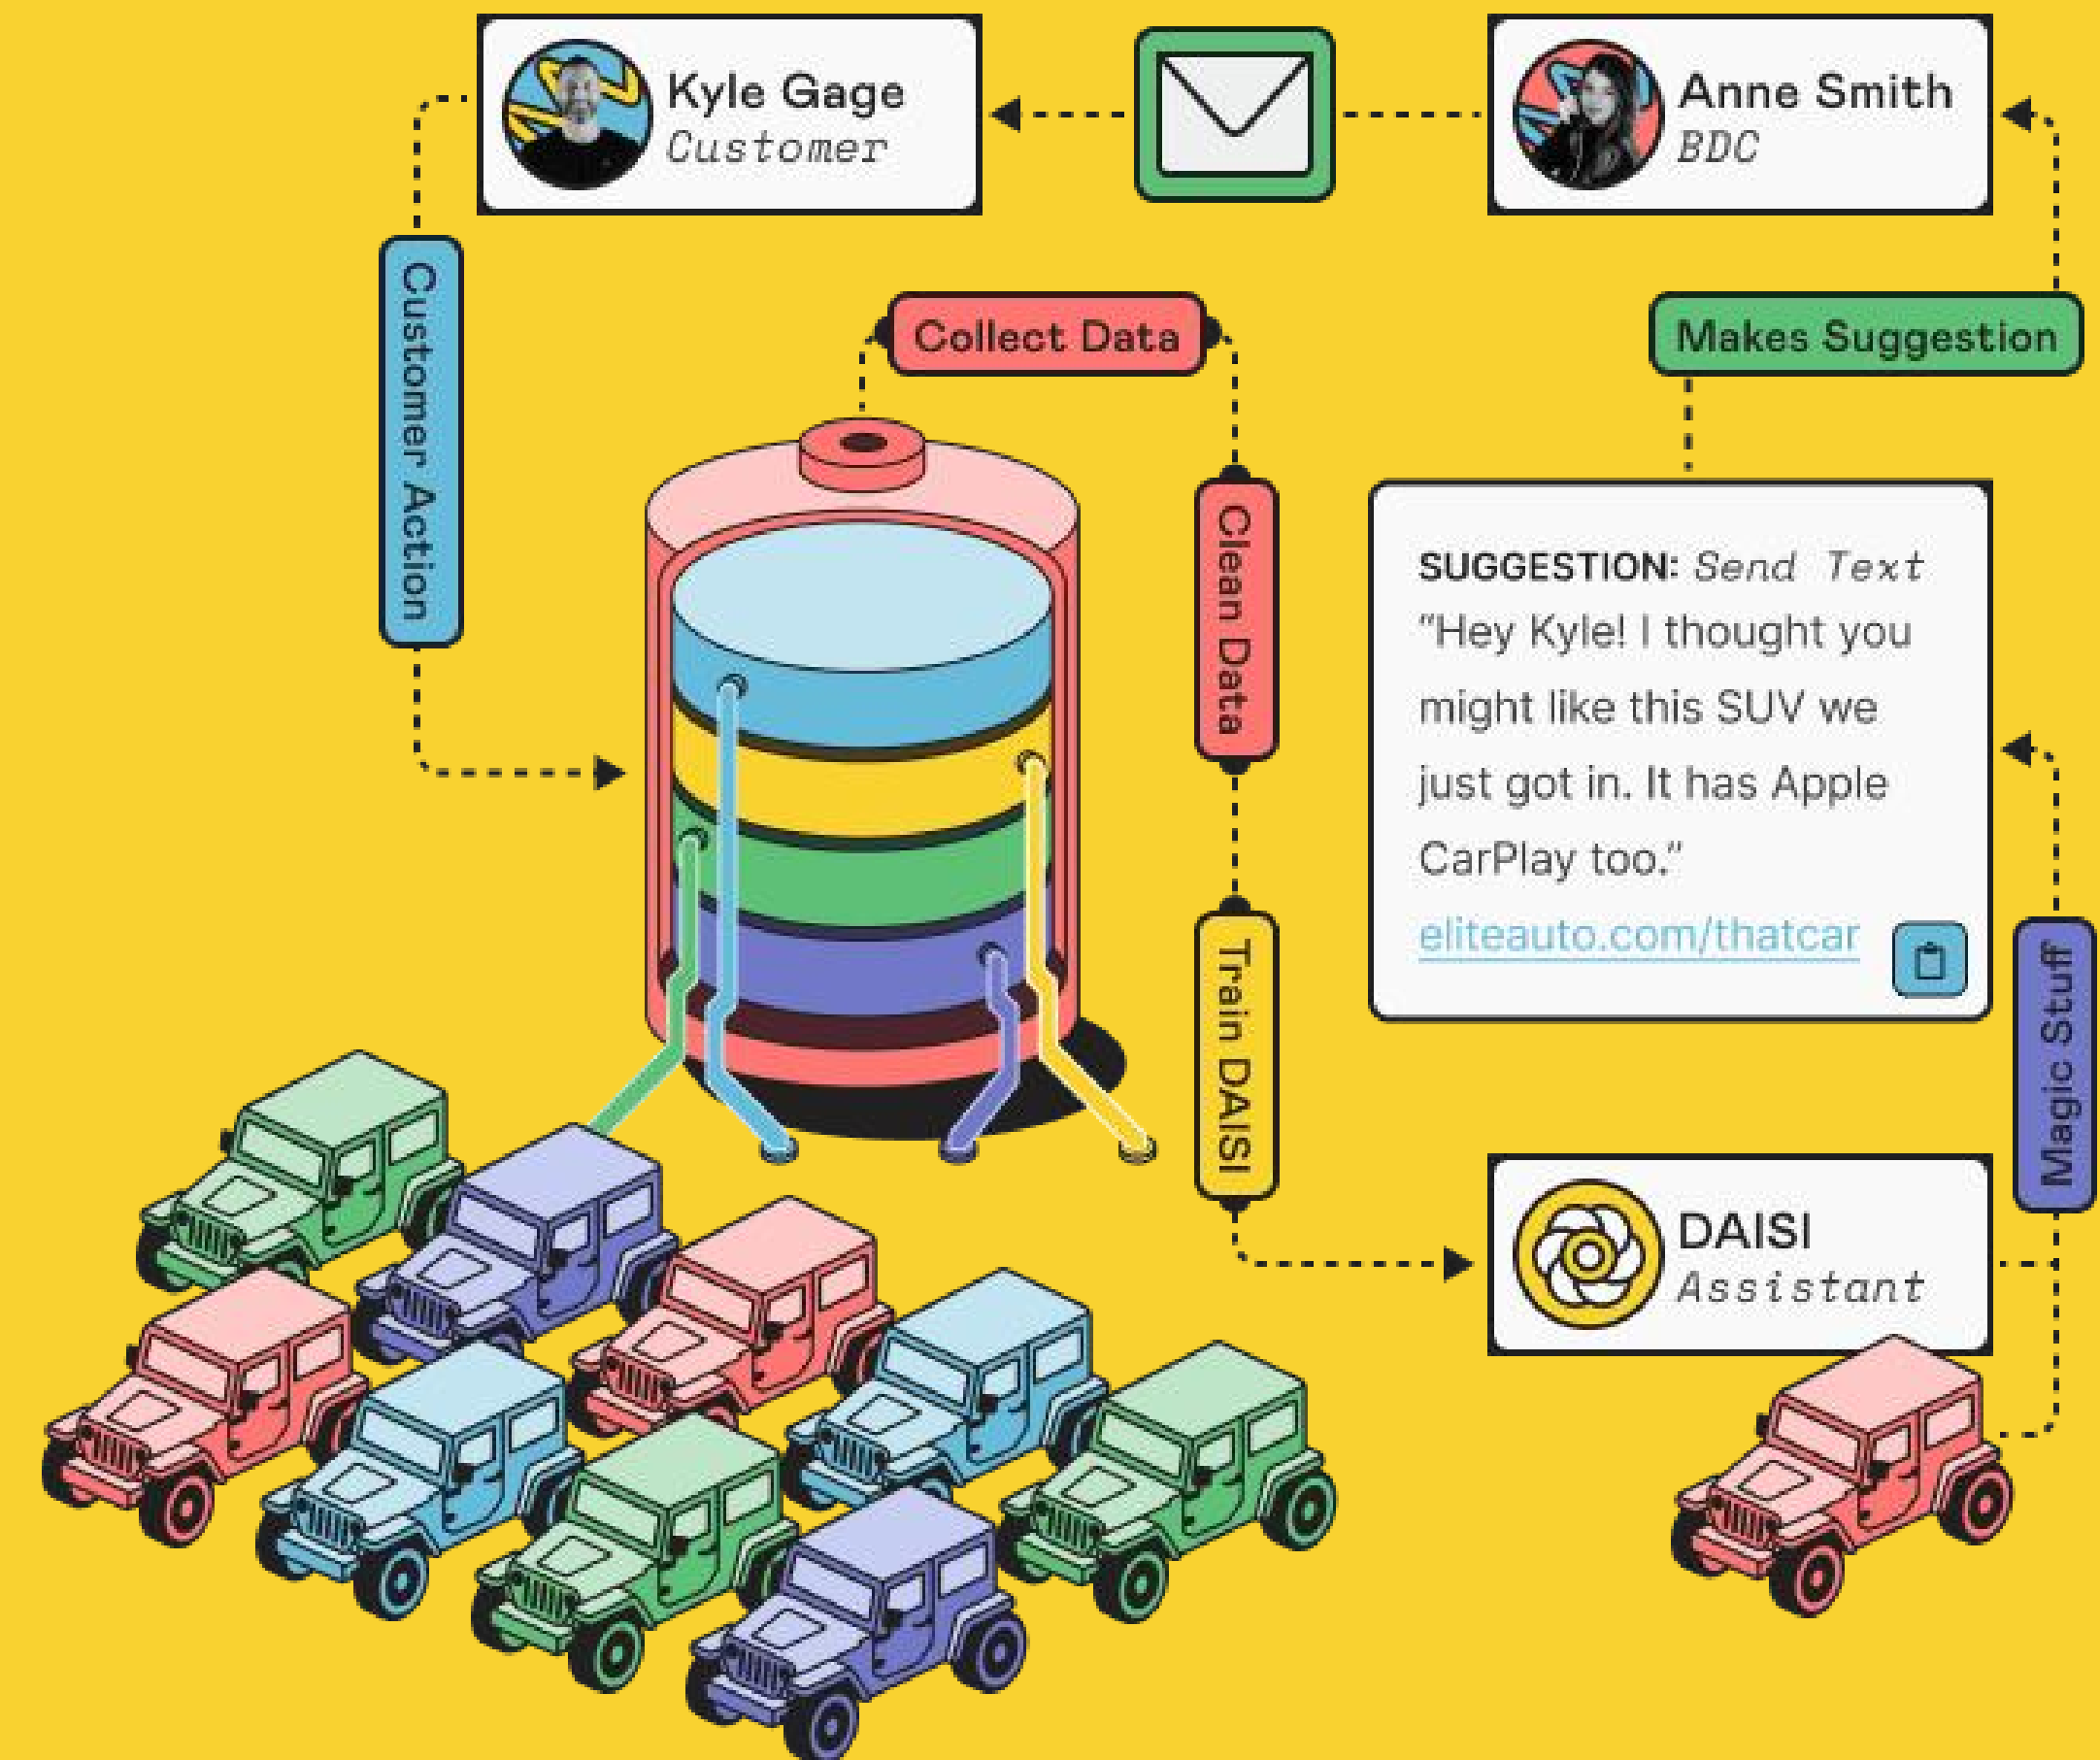

DAISI

# AI should help you be human again.

A centralized AI agent that is the multifunctional brain dealers need...

- helps them instantly communicate better and faster with customers
- Is easy to use by everyone in the dealership
